

Dear Pamela,

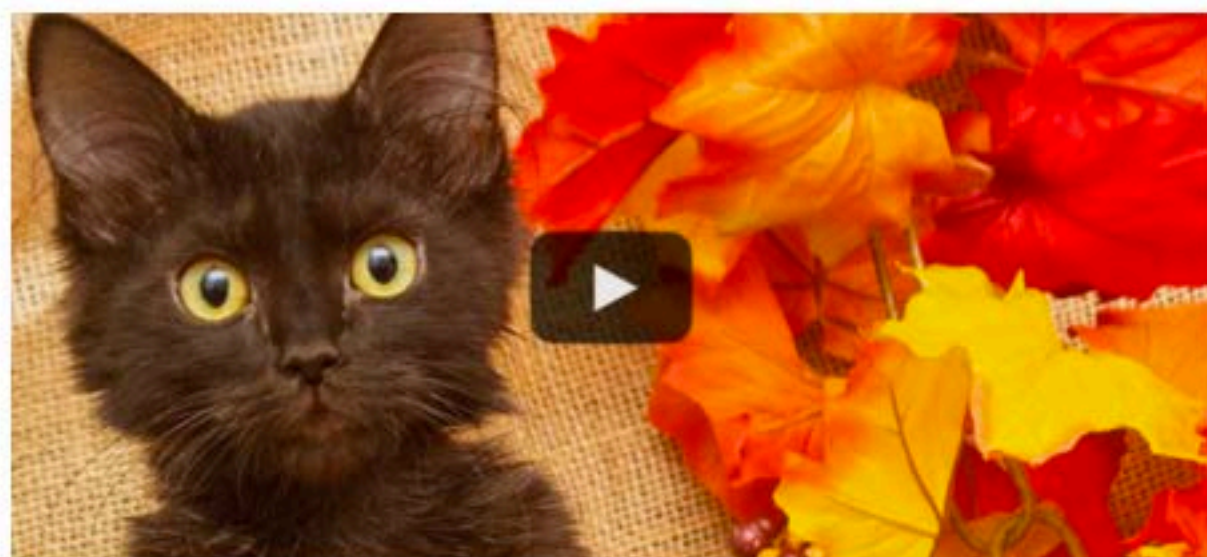

This week, we gather to give thanks and celebrate family. Because of you, Pamela, long-held dreams have become a reality thanks to your unwavering support.

While we have so much incredible progress to be thankful for this year, we also must acknowledge much remains to be done. And I am grateful you will be with us throughout this journey.

Thank you for being part of the HRC Family.

Happy Thanksgiving,

Chad Griffin
President
Human Rights Campaign

Dear Pam,

We're so lucky — and deeply grateful — to count you as a friend to the animals.

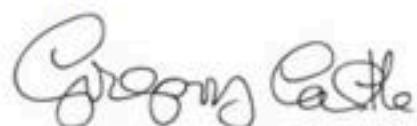

From the staff and animals of the Sanctuary, and our adoption centers in Los Angeles and Salt Lake City, thank you for providing a lifesaving second chance to homeless pets around the country. More tails are thumping and more kittens purring because of your compassion.

This video tribute is a small token of our gratitude and our way of letting you know what a difference your kindness and generosity make throughout the year.

Again, thank you for all that you do to help Save Them All. We wish you a very happy Thanksgiving and a joyous holiday season.

Sincerely,

Gregory Castle
CEO, Best Friends Animal Society

Thank You

Dear Friend,

Like many of you at this time of year, we at THIRTEEN take stock of the things for which we are grateful. **And every year our first thoughts turn to our Members and viewers.**

The truth is, we simply wouldn't be who we are without you. Your engagement with THIRTEEN, your helpful feedback and your generous praise — they all serve to remind us that what we do here is wanted, needed and appreciated. And for that we cherish you.

But the true measure of our success is how much influence we have in the lives of our Members and viewers. How we inspire, motivate and educate with our news, entertainment, arts, science and so many other programs.
